Head, shoulders, knees and toes, knees and toes,
Head, shoulders, knees and toes, knees and toes,
And eyes and ears and mouth and nose,
Head, shoulders, knees and toes, knees and toes.

The Grand Old Duke of York

Note: "A-Hunting We Will Go". First time through, Just sing the song, to be sure all know it, then when the word up is sung, everyone stands up, and when the word down is sung, everyone sits down. Go through the song several times, getting faster each time.

The Grand Old Duke of York,
He had ten thousand men.
He marched them **up** the hill,
And he marched them **down** again.
And when they're **up** they're **up**.
And when they're **down** they're **down**,
But when they're only halfway **up**,
They're neither up nor down.

And Beamed 'em Down Again.

Everyone stands up
And When You're Down Your Down,
Everyone sits down
And When You're Only Half Way Up,
Everyone half-way up
You're Nowhere to Be Found.

Chicago Fire

Note: Number of nights same as number of “FIRE!” at the end of each verse. “FIRE” should be shouted loud and strong.

Three nights ago,
When we were all in bed,
Old Lady Leary left the lantern in the shed
And when the cow kicked it over,
She winked her eye and said
It'll be a hot time, in the old town, tonight!
FIRE, FIRE, FIRE!

Two nights ago,
When we were all in bed,
Old Lady Leary left the lantern in the shed
And when the cow kicked it over,
She winked her eye and said
It'll be a hot time, in the old town, tonight!
FIRE, FIRE!

One night ago,
When we were all in bed,
Old Lady Leary left the lantern in the shed
And when the cow kicked it over,
She winked her eye and said
It'll be a hot time, in the old town, tonight!
FIRE!

I went for a ride in my spaceship
The moon and the planets to see
I went for a ride in my spaceship
Now listen what happened to me.

(Chorus)

Bring back, bring back,
Oh bring back my spaceship to me, to me.
Bring back, bring back,
Oh bring back my spaceship to me.

While sitting aloft in my spaceship
The capsule was crowded and tight.
To lessen the cramps in my muscles
I went for a walk in the night. (Chorus)

I went for a walk in my spacesuit;
The ship was controlled from the ground.
Then someone in charge down at NASA
Forgot I was walking around. (Chorus)

...with his left (arm)

...turn around
...lead the singers around the room, out the door, etc.

I've Got Sixpence (?? Maybe not ??)

I've got sixpence
Jolly, jolly sixpence
I've got sixpence to last me all my life
I've got twopence to spend
And twopence to lend
And twopence to send home to my wife-poor wife.

Chorus:

No cares have I to grieve me
No pretty little girls to deceive me
I'm happy as a lark believe me
As we go rolling, rolling home
Rolling home (rolling home)
Rolling home (rolling home)
By the light of the silvery moo-oo-on
Happy is the day when we line up for our pay
As we go rolling, rolling home.

I've got fourpence
Jolly, jolly fourpence
I've got fourpence to last me all my life
I've got twopence to spend
And twopence to lend
And no pence to send home to my wife-poor wife.

Chorus

I've got twopence
Jolly, jolly twopence
I've got twopence to last me all my life

Junior Birdmen

Note: Make a face mask each time you sing the words, "Junior Birdmen" by lacing your fingers. Then, with thumbs under the chin, twist your hands outwards so that you make goggles for the eyes. On "Upside down," turn upside down. On "Ground," bring your goggled nose as near to the ground as possible.

Up in the air, Junior Birdmen; up in the air, upside down,
Up in the air, Junior Birdmen; with your noses to the ground.
And when you hear the grand announcement: that your wings are
made of tin.
Well, then you know, Junior Birdmen, it's time to send your box tops in.
For it takes: 5 box tops, 4 bottle bottoms, 3 coupons, 2 wrappers, and
one thin dime!

The Song That Never Ends

This is the song that never ends.
It just goes on and on, my friend.
Some people started singing it, not knowing what it was.
And, they'll continue singing it forever, just because
This is the song that never ends...

(repeat forever)

Deep and Wide

Note: Sing the words as written the first time through. Then, instead of saying the word "deep", make a gesture (one hand above the other) to show depth. The next time, also show "wide" by spreading hands out to the side for width. Continue with "fountain" (make a fountain-like gesture), and "flowing" (make a rippling gesture with hands moving from one side to the other at chest level).

Deep and wide, deep and wide, there's a fountain flowing deep and wide. [Repeat.]

Taps

Note: Sung slowly with reverence and emotion.

Day is done, gone the sun,
From the lakes from the hills, from the sky;
All is well, safely rest, God is nigh.

Fading light, dims the sight,
And a star gems the sky, gleaming bright.
From afar, drawing nigh, falls the night.

Thanks and praise, for our days,
'Neath the sun, 'neath the stars, neath the sky;
As we go, this we know, God is nigh.

Sun has set, shadows come,
Time has fled, Scouts must go to their beds
Always true to the promise that they made.

While the light fades from sight,
And the stars gleaming rays softly send,
To thy hands we our souls, Lord, commend.
